

Stereotaxis to Host Inaugural Innovation Day – Pioneering Endovascular Robotics

November 18, 2021

ST. LOUIS, Nov. 18, 2021 (GLOBE NEWSWIRE) -- Stereotaxis (NYSE: STXS), a pioneer and global leader in surgical robotics for minimally invasive endovascular intervention, today announced it will host an inaugural Innovation Day by live webcast on December 13. The event will include presentations of the company's innovation pipeline by members of Stereotaxis leadership with a live Q&A session.

What: Stereotaxis Innovation Day – Pioneering Endovascular Robotics
When: Monday, December 13, 2021 at 4:00 p.m. EST (1:00 p.m. PST)
Registration: Please register in advance by visiting www.stereotaxis.com/innovation-day

"We are excited to share Stereotaxis' next wave of innovations and the transformative impact these innovations will have on the advancement of endovascular surgery," said David Fischel, Chairman and CEO of Stereotaxis.

About Stereotaxis

[Stereotaxis](http://www.stereotaxis.com) (NYSE: STXS) is a pioneer and global leader in innovative surgical robotics for minimally invasive endovascular intervention. Its mission is the discovery, development and delivery of robotic systems, instruments, and information solutions for the interventional laboratory. These innovations help physicians provide unsurpassed patient care with robotic precision and safety, expand access to minimally invasive therapy, and enhance the productivity, connectivity, and intelligence in the operating room. Stereotaxis technology has been used to treat over 100,000 patients across the United States, Europe, Asia, and elsewhere. For more information, please visit www.stereotaxis.com.

This press release includes statements that may constitute "forward-looking" statements, usually containing the words "believe", "estimate", "project", "expect" or similar expressions. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially. Factors that would cause or contribute to such differences include, but are not limited to, the Company's ability to manage expenses at sustainable levels, acceptance of the Company's products in the marketplace, the effect of global economic conditions on the ability and willingness of customers to purchase its technology, competitive factors, changes resulting from healthcare policy, dependence upon third-party vendors, timing of regulatory approvals, the impact of pandemics or other disasters, and other risks discussed in the Company's periodic and other filings with the Securities and Exchange Commission. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release. There can be no assurance that the Company will recognize revenue related to its purchase orders and other commitments because some of these purchase orders and other commitments are subject to contingencies that are outside of the Company's control and may be revised, modified, delayed, or canceled.
