## **Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On July 22, 2021, Myriam Curet, M.D. was elected to the Board of Directors of Stereotaxis, Inc. (the “Company”). There is no arrangement between Ms. Curet and any other persons pursuant to which she was selected as a director. Ms. Curet will receive compensation on the same basis as all other non-management Directors of the Company.

The Company is not aware of any transactions or proposed transactions in which the Company was or is to be a participant since January 1, 2020, in which the amount involved exceeds \$120,000, and in which Ms. Curet had, or will have, a direct or indirect material interest.

## **Item 7.01. Regulation FD Disclosure**

On July 26, 2021, the Company issued a press release (the “Press Release”) announcing the election of Ms. Curet to the Board of Directors of the Company. A copy of the Press Release is being furnished as Exhibit 99.1 hereto, and the statements contained therein are incorporated by reference herein.

The information furnished in this Item 7.01 (including the Press Release attached as Exhibit 99.1) is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities and Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, regardless of any general incorporation language in such filing. In addition, this report (including the Press Release attached as Exhibit 99.1) shall not be deemed an admission as to the materiality of any information contained herein that is required to be disclosed solely as a requirement of this Item.

## **Forward Looking Statements and Additional Information**

Statements are made herein or incorporated herein that are “forward-looking statements” as defined by the Securities and Exchange Commission (the “SEC”). All statements, other than statements of historical fact, included or incorporated herein that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements. These statements are not guarantees of future events or the Company’s future performance and are subject to risks, uncertainties and other important factors that could cause events or the Company’s actual performance or achievements to be materially different than those projected by the Company. For a full discussion of these risks, uncertainties and factors, the Company encourages you to read its documents on file with the SEC. Except as required by law, the Company does not intend to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise.

**Stereotaxis Strengthens Board of Directors with Appointment of Myriam J. Curet, M.D.**

**St. Louis, July 26, 2021 (GLOBE NEWSWIRE)** – [Stereotaxis](#) (NYSE: STXS), the global leader in innovative robotic technologies for the treatment of cardiac arrhythmias, today announced the appointment of Myriam J. Curet, M.D., to its Board of Directors.

Dr. Curet currently serves as Executive Vice President and Chief Medical Officer for Intuitive Surgical, the global leader and pioneer of robotic surgery. Dr. Curet joined Intuitive Surgical in 2005 and has since led the development of clinical evidence, physician education, and reimbursement and regulatory activities that have been instrumental to Intuitive Surgical's growth across multiple clinical specialties. For more than 20 years, Dr. Curet has also served as a Clinical Professor of Surgery at Stanford University School of Medicine, with a part-time clinical appointment at the Palo Alto Veteran's Administration Medical Center. Dr. Curet received her M.D. from Harvard Medical School and completed her general surgery residency at the University of Chicago.

"Stereotaxis reminds me in many ways of Intuitive Surgical in our early years," said Dr. Curet. "I'm impressed by Stereotaxis' technology, clinical value and strategy to positively transform endovascular medicine with robotics. I look forward to providing strategic guidance and contributing to the effort to build a highly successful and impactful company."

"We are delighted to have Myriam join the Stereotaxis Board of Directors," said David Fischel, Chairman and CEO. "We look forward to benefiting from her highly relevant experience and significant expertise as we advance robotics across endovascular interventions."

*This press release includes statements that may constitute "forward-looking" statements, usually containing the words "believe," "estimate," "project," "expect" or similar expressions. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, the Company's ability to continue to manage expenses and cash burn rate at sustainable levels, continued acceptance of the Company's products in the marketplace, the effect of global economic conditions on the ability and willingness of customers to purchase its systems and the timing of such purchases, competitive factors, changes resulting from healthcare policy in the United States, including changes in government reimbursement of procedures, dependence upon third-party vendors, timing of regulatory approvals, the impact of the recent coronavirus (COVID-19) pandemic and our response to it, and other risks discussed in the Company's periodic and other filings with the Securities and Exchange Commission. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release. There can be no assurance that the Company will recognize revenue related to its purchase orders and other commitments in any particular period or at all because some of these purchase orders and other commitments are subject to contingencies that are outside of the Company's control. In addition, these orders and commitments may be revised, modified, delayed or canceled, either by their express terms, as a result of negotiations, or by overall project changes or delays.*
