## **Explanation of Responses:**

- 1. The reported price is the weighted average purchase price per share for 6 transactions in which the purchase prices ranged from \$3.46 to \$3.50 per share. The reporting person undertakes to provide full information regarding the number of shares purchased at each separate purchase price upon request of the Securities and Exchange Commission staff, the issuer or any security holder of the issuer
- 2. The reported price is the weighted average purchase price per share for 6 transactions in which the purchase prices ranged from \$3.45 to \$3.49 per share. The reporting person undertakes to provide full information regarding the number of shares purchased at each separate purchase price upon request of the Securities and Exchange Commission staff, the issuer or any security holder of the issuer.
- 3. Line 2 of Table I for the Form 4 filed by Mr. Alafi on November 17, 2008 erroneously stated that Alafi Capital Company LLC purchased 44,075 shares of the registrant's common stock. 40,075 shares were actually purchased. As such, the Form 4s filed by Mr. Alafi on November 21, 2008 and December 31, 2008 erroneously reported the holdings of Alafi Capital Company LLC. The number of shares owned by Alafi Capital Company LLC on this Form 4 corrects the error.
